

Restaurants Around Rutland

Last Updated Sunday, 28 December 2008

Rutland, just minutes down the hill from Killington Lodge and Motel, also has a list of fine eating establishments. But we don't know what they're all like, because we haven't had a chance to eat at all of them. Why don't you come, and decide on a few to investigate for us, and tell us how you like them. We're ready to update our list of restaurants with your comments.

(Don't forget the Killington-area restaurants, just minutes in the other direction.)
